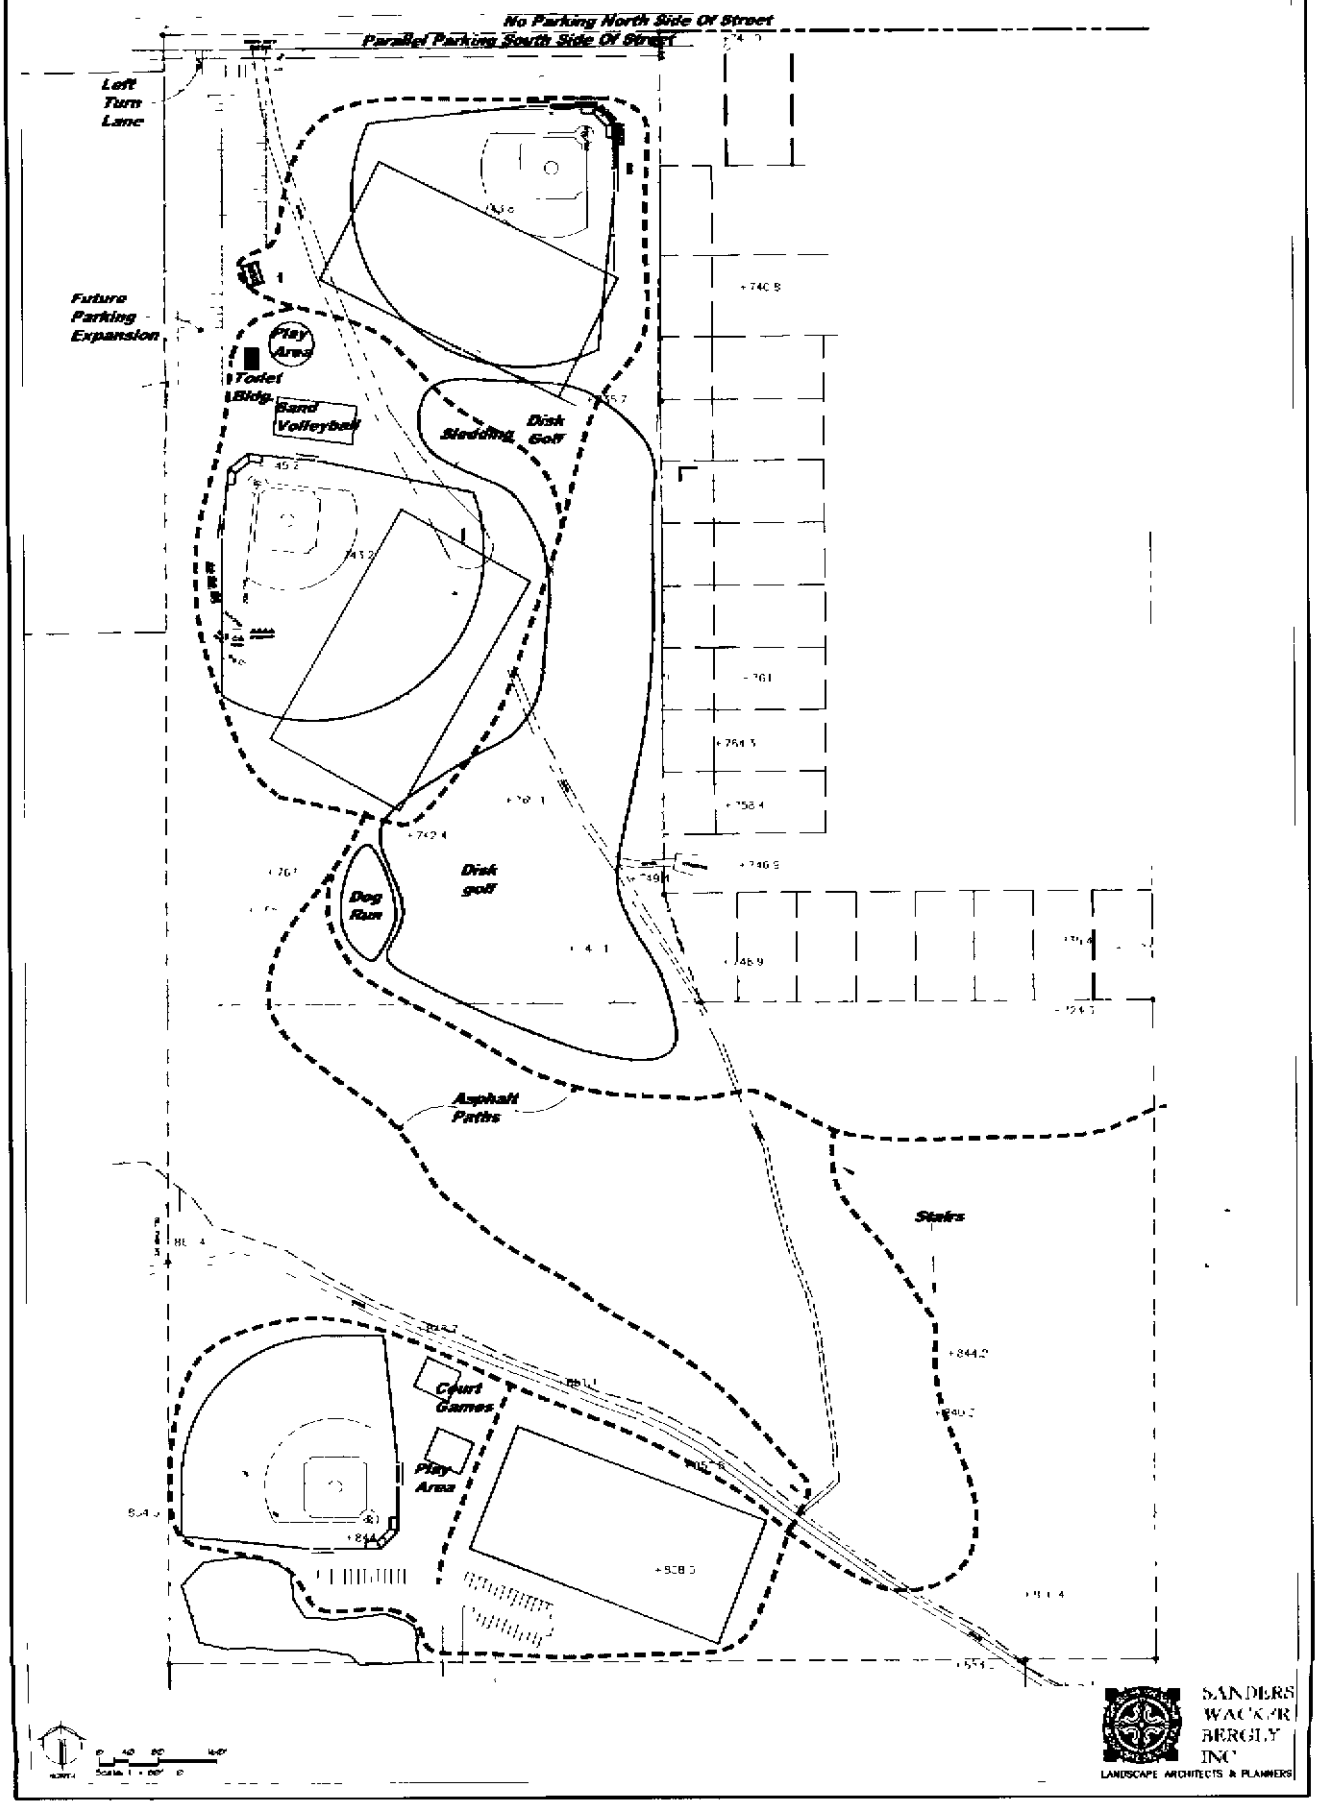
Bayport, Minnesota



RESOLUTION NO. 08-

EXTRACT OF THE MINUTES OF MEETING OF THE CITY COUNCIL OF THE CITY OF BAYPORT, WASHINGTON COUNTY, MINNESOTA HELD JUNE 2, 2008

Pursuant to due call and notice therefore, a regular meeting of the City Council of the City of Bayport, Minnesota was duly held at Bayport City Hall in said municipality on the 2nd day of June 2008, at 6:00 p.m.

The following members were present:

The following members were absent:

Councilmember _____ introduced the following resolution and moved its adoption.

A RESOLUTION APPROVING CONSENT AGENDA ITEMS 1-9 FROM THE JUNE 2, 2008 CITY COUNCIL AGENDA

1. May 5, 2008 City Council regular meeting minutes
2. May 19, 2008 City Council special meeting minutes
3. May payables and receipts
4. May building, plumbing and mechanical permits
5. Special event application for Van Zee wedding at Barker's Alps
6. Lawful gambling exempt permit application for Children's Cancer Research Fundraiser at Bayport Marina
7. Change order for stormwater management plan update for the comprehensive plan
8. Lawful gambling activity lease application for Stillwater Elks at Greystone Bar
9. Accept donation from Bayport Marina for a park bench to be placed in Lakeside Park

The motion for adoption of the foregoing resolution was duly seconded by Councilmember _____ and upon roll call being taken thereon, the following vote via voice

Jonathan Nowaczek –	Connie Carlson –
Dan Johnson –	Torry Kraftson –
Sharon Ridgway –	

WHEREUPON, said Resolution was declared duly passed and adopted and signed by the Mayor and attested by the City Administrator. Passed by the City Council, City of Bayport, Washington County, Minnesota this 2nd day of June 2008.

ATTEST

_____ _____

Mike McGuire, City Administrator Jon Nowaczek, Mayor

CITY OF BAYPORT
CITY COUNCIL MEETING MINUTES
COUNCIL CHAMBER
MAY 5, 2008
6:00 P.M.

CALL TO ORDER

Pursuant to due call and notice, Mayor Nowaczek called the regular City Council meeting of May 5, 2008 to order at 6:00 p.m., and asked Councilmembers, staff and the audience to join in pledging allegiance to the American Flag.

ROLL CALL

Members Present: Mayor Jon Nowaczek, Councilmembers Connie Carlson, Dan Johnson, Torry Kraftson and Sharon Ridgway

Members Absent: None

Others Present: Administrator Mike McGuire, Police Chief Laura Eastman, Public Works Supervisor Mel Horak, Engineer Barry Peters, Attorney Jennifer Nodes, and Assistant Administrator/Planner Sara Taylor

PROCLAMATIONS/COMMENDATIONS/PETITIONS

1. The recycling award for April went to Louis Kemm.
2. The city will host a Public Open House to celebrate the completion of the bathhouse remodel at Lakeside Park on Tuesday, May 20, 2008, 4:00-6:00 p.m.
3. Residents were encouraged to attend the Bayport American Legion Memorial Day Parade on Monday, May 26th. The parade starts at 8:30 a.m. and concludes with a memorial ceremony at Hazelwood Cemetery.

OPEN FORUM

1 Jim Selmecki, 317 Lake Street South, inquired as to the use of funds in the city's tax stabilization fund. Mayor Nowaczek indicated the City Council would be discussing this issue further and welcomed citizen input. Administrator McGuire clarified there are no new funds coming into the tax stabilization fund. Councilmember Ridgway added the money in the fund was not generated through taxes; rather it was given to the city by Andersen Corporation to offset any hardship due to their revised tax structure.

2. Consider a request for placement of a McKenzie Boy Scout statue in a city park: Joe Reding, 162 5th Avenue North, representing Troop 113, reviewed the troops' request to place a replica of the statue, "The Boy Scout," at the Village Green or Perro Park, as part of the Boy Scouts of America 100th anniversary celebration. Discussion followed on placement of the statue, with Councilmember Kraftson recommending considering Lakeside Park. He reminded councilmembers of an earlier resident request for some type of veteran's memorial in a city park.

   It was moved by Councilmember Johnson and seconded by Councilmember Carlson to support the efforts of the City of Bayport to acquire one of the six available Boy Scout statues. Motion carried.

3. Consider authorization for a scout to complete an Eagle Scout Leadership Service Project at Village Green Park with funding provided by the city: Lance Meister, Troop 113, described his proposed service project that would provide enhanced landscaping and benches around the time capsule memorial in the Village Green Park. He is requesting the city provide financial support in the amount of $1,300.00, not $1,200.00 as noted in his written request. If approved, he plans construction for the end of August.

It was moved by Councilmember Carlson and seconded by Councilmember Johnson to support Lance Meister's Eagle Scout project and permit him to alter the landscaping at the Village Green Park and approve city financial support in the amount of $1,300.00. Motion carried.

CONSENT AGENDA
Mayor Nowaczek read items 1-10 on the consent agenda.

Councilmember Carlson introduced the following resolution and moved its adoption

Resolution 08-06

RESOLUTION, CITY OF BAYPORT, WASHINGTON COUNTY, MINNESOTA, APPROVING CONSENT AGENDA ITEMS 1-10 FROM THE MAY 5, 2008 CITY COUNCIL AGENDA

1. April 7, 2008 City Council regular meeting minutes
2. April payables and receipts
3. April building, plumbing and mechanical permits
4. Fund transfers – budgeted and unbudgeted
5. Donation request for Memorial Day parade
6. Special event application for Memorial Day parade activities
7. Special event application for Andersen Corporation Quarter Century picnic
8. Temporary on-sale liquor license for Bayport Marina
9. Award of quote and funding for painting of snow plow truck
10. Special event application for A Night at Dane's Place

Administrator McGuire clarified that item #8 was separate from the new business agenda item (#3).

The motion for adoption of the foregoing resolution was duly seconded by Councilmember Ridgway and upon roll call being taken thereon, the following vote via voice:

Jon Nowaczek – aye	Torry Kraftson – aye
Connie Carlson – aye	Sharon Ridgway – aye
Dan Johnson – aye	

PUBLIC HEARINGS – None

COUNCIL LIAISON REPORTS
Councilmember Ridgway reported on the April 16th Cable Commission meeting. Comcast is providing a new high speed service for residential and business customers. Cable customers will not need a converter box for their televisions when the FCC mandated digital broadcast service goes into effect in February 2009. Grant scholarships were awarded to four applicants The next meeting is scheduled for June 18, 2008, 7:00 p.m., at the cable studio located in the Valley Ridge Mall in Stillwater

Councilmember Kraftson reported on the April 10th meeting of the Middle St. Croix Watershed Management Organization (MSCWMO). Amy Corcoran has been named the new administrator of the MSCWMO. He reported multiple agencies are researching long and short term solutions for protecting and cleaning up the St. Croix River Monitoring done by the Washington Conservation District (WCD) has revealed high levels of E. coli present in Perro Creek. The WCD has efforts underway to determine the source of the contamination and is looking into methods to mitigate bank erosion and general sedimentation of the creek. Councilmember Kraftson believes the city should also look into ways to prevent sediment from getting into the creek. He directed residents to the article on rain gardens in the city's recent newsletter and encouraged people to incorporate them into their landscaping MSCWMO efforts regarding the Perro Creek flood mitigation project will be discussed under new business item #4. The next meeting of the MSCWMO is scheduled for May 8, 2008, 7:00 p m., at the Valley Ridge Mall.

Councilmember Johnson reported on the April 24th library board meeting. New carpeting will be installed throughout the majority of the library and energy efficient lighting is being installed, with a projected $3,500.00 savings per year in utility bills. New computer equipment is being ordered and the library's website will be updated. Residents are encouraged to check out the used book sale on Friday, June 6th from 8:00 a.m -5:00 p.m. and Saturday, June 7th from 8:00 a.m.-1:00 p.m., at the Village Green Book donations for the sale are being accepted; contact the library for more information. The library will also be open on June 7th, deviating from the regular summer schedule. The next meeting is scheduled for May 22. 2008, 6:00 p.m., at the library.

Councilmember Carlson reported the Lower St. Croix Partnership did not meet in April and that the next meeting is scheduled for May 21, 2008, 7:00 p.m., at the St. Croix County Government Center.

UNFINISHED BUSINESS

Consider accepting the feasibility study for water extension to Pete Miller's property located in Baytown Township and an addendum to the Joint Powers Agreement for the water extension: Applicant Pete Miller has requested that this item be continued to a future meeting in order to give him more time to review the estimated project costs.

It was moved by Councilmember Carlson and seconded by Councilmember Kraftson to continue this item to the next meeting Motion carried.

Consider establishing fees and policies associated with the designated cremains area in Hazelwood Cemetery: Public Works Supervisor Horak provided a status update on the cremains-only area being established in Hazelwood Cemetery. The area in the northwest corner of the cemetery has been replatted into 896 gravesites. He reviewed the proposed rules, regulations and pricing and noted a memorial flower garden has been suggested, as no upright or aboveground protrusions would be allowed in the cremains area. The residents who served on the cemetery advisory group were thanked for their input Additional input/assistance with the flower garden is welcomed.

It was moved by Councilmember Johnson and seconded by Councilmember Carlson to accept the proposed rules for the Hazelwood Cemetery cremains area as presented. Motion carried.

Consider gas and electric franchise agreements with Xcel Energy: Administrator McGuire reviewed draft franchise agreements with Northern States Power Company, d/b/a Xcel Energy that would allow Xcel Energy the right to provide gas and electric service to the city for a 20-year period. The ordinances provide the city with the right to impose a franchise fee in the future, up to five percent of Xcel Energy's total gross revenues. This fee is not being implemented at this time. It was noted the revenue generated by this type of fee does not have to be dedicated to a specific utilities fund. Discussion followed on the benefits of having a franchise agreement with Xcel Energy.

Councilmember Johnson introduced the following ordinance and moved its adoption

Ordinance #798

AN ORDINANCE GRANTING TO NORTHERN STATES POWER COMPANY, A MINNESOTA CORPORATION, D/B/A/ XCEL ENERGY, ITS SUCCESSORS AND ASSIGNS, PERMISSION TO ERECT A GAS DISTRIBUTION SYSTEM FOR THE PURPOSES OF CONSTRUCTING, OPERATING, REPAIRING AND MAINTAINING IN THE CITY OF BAYPORT, MINNESOTA, THE NECESSARY GAS PIPES, MAINS AND APPURTENANCES FOR THE TRANSMISSION OR DISTRIBUTION OF GAS TO THE CITY AND ITS INHABITANTS AND OTHERS AND TRANSMITTING GAS INTO AND THROUGH THE

CITY, AND TO USE THE PUBLIC GROUNDS AND PUBLIC WAYS OF THE CITY FOR SUCH PURPOSES.

The motion for adoption of the foregoing ordinance was duly seconded by Councilmember Carlson and upon roll call being taken thereon, the following vote via voice:

Jon Nowaczek – aye
Connie Carlson – aye
Dan Johnson – aye
Torry Kraftson – aye
Sharon Ridgway – aye

Councilmember Johnson introduced the following ordinance and moved its adoption:

Ordinance #799

AN ORDINANCE GRANTING TO NORTHERN STATES POWER COMPANY, A MINNESOTA CORPORATION, D/B/A XCEL ENERGY ITS SUCCESSORS AND ASSIGNS, PERMISSION TO CONSTRUCT, OPERATE, REPAIR AND MAINTAIN IN THE CITY OF BAYPORT, MINNESOTA, AN ELECTRIC DISTRIBUTION SYSTEM AND TRANSMISSION LINES, INCLUDING NECESSARY POLES, LINES, FIXTURES AND APPURTENANCES, FOR THE FURNISHING OF ELECTRIC ENERGY TO THE CITY, ITS INHABITANTS, AND OTHERS, AND TO USE THE PUBLIC WAYS AND PUBLIC GROUNDS OF THE CITY FOR SUCH PURPOSES.

The motion for adoption of the foregoing ordinance was duly seconded by Councilmember Carlson and upon roll call being taken thereon, the following vote via voice:

Jon Nowaczek – aye
Connie Carlson – aye
Dan Johnson – aye
Torry Kraftson – aye
Sharon Ridgway – aye

NEW BUSINESS

Consider award of 2008 Recycling and Solid Waste Scholarship: Assistant Administrator Taylor reported the city received two impressive qualifying applications as noted in the City Council materials, as well as a third one from Heidi Peterson by the application due date. Ms. Peterson received the scholarship award last year, and staff is recommending that two $500.00 scholarships be awarded to James Robinson and Sarah Nelson. Surplus scholarship funds, previously designated for purchasing recycling receptacles, would be used to fund two scholarships this year. Discussion followed on using the Allied Waste money for its intended purpose and the caliber of the applications received this year

It was moved by Councilmember Carlson and seconded by Councilmember Johnson to award the 2008 Recycling and Solid Waste Scholarships to Sarah Nelson and James Robinson, in the amount of $500.00 each. Motion carried.

Presentation of 2007 Audit: Andy Berg, auditor with Abdo, Eick & Meyers, reported the 2007 annual audit received an unqualified (clean) opinion, with no disagreements and no significant difficulties in performing the audit The significant audit findings and recommendations were reviewed, followed by the key financial information. The general fund, special revenue funds, debt service funds, capital projects funds, and enterprise funds were reviewed in detail. Of significance, the water utility fund has shown a loss from operations in 2006 and 2007, and it was recommended that water and sewer rates be reviewed annually to ensure rates cover operating expenses.

It was moved by Councilmember Carlson and seconded by Councilmember Johnson to accept the 2007 annual audit as prepared by Abdo, Eick & Meyers, LLP. Motion carried.

Consider approval of liquor licenses for the establishment "Refuge on the River" located at 101 5th Avenue South: Administrator McGuire reviewed the background of a request to consider approval of liquor licenses for a new restaurant, Refuge on the River. Applicant Mike Scanlon will be leasing the restaurant, formerly known as Clyde's, which is adjacent to the Bayport Marina. Additionally, the conditional use permit (CUP) which allows the property to operate as a restaurant has expired and a public hearing on the CUP is scheduled for the May 19th Planning Commission meeting. Due to the time involved with the conditional use permitting process, staff feels it may be appropriate to allow the restaurant to open when all other outstanding issues are complete. In addition to the outstanding issues listed in the City Council materials, grease traps must be installed, per city code. Discussion followed on whether a liquor license could be authorized without a valid CUP in place and the number of outstanding issues, especially the Metropolitan Council Service Availability Charges (SAC) that must be paid. Administrator McGuire noted that the original CUP was issued as one for the three entities involved, i.e., the Bayport Marina, Waterford on the St. Croix Condominium Association and the restaurant, as they originally had the same owner.

Applicant Mike Scanlon provided an overview of his proposed restaurant business Refuge on the River. Mr. Scanlon stated all of the issues identified in the staff report would be completed prior to opening, which he hopes could be as early as May 14th in preparation for anticipated substantial business over the Memorial Day weekend. He has met with representatives from the marina and condominium association in an effort to be a good business neighbor. Mr. Scanlon answered questions regarding completion of the outstanding building issues, and Administrator McGuire explained why the Metropolitan Council was reviewing the SAC charges for the building at this time. Councilmembers voiced their support of Mr. Scanlon's business plans but believed the city needs to follow the proper procedures to make sure all concerns are addressed. They recommended that the CUP application be addressed at the May 19th Planning Commission, after which a decision would be made on the liquor licenses. Mr. Scanlon requested approval of the liquor licenses prior to the Planning Commission meeting in order to get the process moving along with the State of Minnesota. Councilmembers reiterated their desire to follow protocol and address the liquor license and CUP applications at the same time. Written concerns received from the Bayport Marina Association and Waterford on the St. Croix Condominium Association were noted.

It was moved by Councilmember Johnson and seconded by Councilmember Carlson to continue this matter to the next meeting, to allow time for a public hearing on the CUP and Planning Commission input. Motion carried.

Discussion followed on scheduling a special City Council meeting prior to the regularly scheduled June meeting in order to provide a more timely response to Mr. Scanlon's applications. Mr. Scanlon indicated he has a substantial investment in the proposed business, and if he had known the CUP process would prohibit opening by Memorial Day weekend, he would have sought legal recourse or walked away from the project.

It was moved by Councilmember Ridgway and seconded by Councilmember Johnson to set a special meeting for Monday, May 19, 2008, immediately following the Planning Commission meeting, to consider Mr. Scanlon's applications. Motion carried.

Consider a $50,000 loan request from the MSCWMO to design and bid the Bayport storm sewer project: Administrator McGuire reviewed a request from the Middle St. Croix Water management Organization (MSCWMO) for the Cities of Bayport and Oak Park Heights to each loan the MSCWMO $50,000.00 to design and bid the final phase of the Bayport storm sewer project, prior to the state releasing $1.77 million in allocated funds for the project. The City of Oak Park Heights has approved a loan of the

requested funds, interest-free. Staff recommended that the city approve the $50,000.00 loan request, charging 3% interest on the loan.

MSCWMO Chairperson Dave Beaudet reported he anticipates the loan would be paid back by February/March of 2009. He noted that Bayport receives a 5% administrative fee for serving as the fiscal agent for the project funds and questions whether the state would reimburse interest on the loan. He indicated the MSCWMO would pay for the loan documents to be drafted. Councilmember Kraftson and Mr. Beaudet reviewed the history of the project to alleviate flooding from Perro Creek in Bayport. Councilmembers indicated they were in favor of an interest-free loan.

It was moved by Councilmember Kraftson and seconded by Councilmember Carlson to authorize up to $50,000.00 for design and bidding fees for the remainder of the Bayport storm sewer flood control project, in partnership with the City of Oak Park Heights. Motion carried.

COUNCIL ITEMS/ANNOUNCEMENTS

1. Councilmember Carlson reported on upcoming events at the Bayport Senior Center
   - They will be sponsoring six women veterans in the Memorial Day parade on May 26th and are in need of additional convertible or Jeep vehicles for the veterans to ride in.
   - Police Chief Laura Eastman will be having a question and answer breakfast session with the seniors on May 28th.
   - They are hosting a square dance on May 29th at 6:00 p.m. Everyone is welcome
   - Seniors are working with the 4th graders from Andersen Elementary to put on a play, and an actor is needed to play Abraham Lincoln.

   Please contact Sue Schultz at the Senior Center, 651-275-8907, if you can help or have questions regarding the above events.
2. Councilmember Kraftson proposed that a feasibility study be considered to add one-way angled parking on the east side of 4th Street North, to provide more parking for the businesses along 5th Avenue North, as well as the library. This item will be discussed at a future meeting

ADMINISTRATOR/STAFF ITEMS AND ANNOUNCEMENTS

Set workshop date for quarterly department review of Public Works department and BCAL donation. Discussion on this was tabled to the June 2, 2008 City Council meeting.

Schedule special meeting to consider bids for Lakeside Park and update on Barker's Alps: Bids to complete the sand blanket project at Lakeside Park are due at City Hall by May 9th, and a special meeting to award the bid is needed for the timely completion of the project. It was decided to schedule the meeting for Monday, May 19, 2008, at 5:00 p.m.

Quarterly Meeting with Croixdale Residents: Chief Eastman reported that Croixdale is inviting Bayport residents to attend their quarterly meeting with the Police Department on Wednesday, May 14, 2008, 6:00 p.m. -7.00 p.m. Chief Eastman will update residents on concerns identified during the last 3 months and representatives from the Department of Corrections will address minimum security screening processes. The meeting will be televised on the local cable channel. Councilmember Carlson recognized Chief Eastman's efforts to interact with Bayport residents and businesses

ADJOURNMENT

It was moved by Councilmember Carlson and seconded by Councilmember Johnson to adjourn the meeting at 8:45 p.m. Motion carried.

CITY OF BAYPORT
SPECIAL CITY COUNCIL MEETING MINUTES
COUNCIL CHAMBERS
MAY 19, 2008
5:00 PM

CALL TO ORDER
Pursuant to due call and notice, Mayor Nowaczek called the special City Council meeting of May 19, 2008 to order at 5 00 p.m , and asked Councilmembers, staff and the audience to join in pledging allegiance to the American Flag.

ROLL CALL
Members Present Mayor Jon Nowaczek, Councilmembers Connie Carlson, Torry Kraftson, and Sharon Ridgway

Members Absent: Councilmember Dan Johnson

Others Present. Administrator Mike McGuire, Assistant Administrator/Planner Sara Taylor, and Attorney Nick Vivian

Councilmember Ridgway requested that the City Council add consideration of options for a BCAI donation to the agenda Item will be added as item 3 under new business.

NEW BUSINESS
Consider bids for the sand blanket installation at Lakeside Park: Larry Wacker, landscape architect with Sanders. Wacker. Bergly, Inc , reported that five qualified bids were received for the project that would add a new sand blanket to the swim area and upland beach area at Lakeside Park The low bidder was M.J. Raleigh Trucking, Inc., Stillwater, Minnesota, with a bid of $13,150 00 Mr Wacker verified that the firm's bid was significantly lower than the others due to the fact that they have a stockpile of sand that meets the project's specifications. Staff recommended approval of the project to the lower bidder Mr Wacker clarified that Bell Trucking's low bid amount was for winter installation and their high bid was for summer installation, which the project requires. The specifications for placement of 12 inches of sand were reviewed. The sand blanket would extend 90-100 feet into the water With minimum current and wave action in the area, Mr Wacker speculated the new sand blanket would last a long time.

It was moved by Councilmember Carlson and seconded by Councilmember Ridgway to award the bid for the sand blanket installation at Lakeside Park to the low bidder, M.J. Raleigh Trucking, Inc , Stillwater, Minnesota, in the amount of $13,150.00. Motion carried.

Consider final payment to Jansen Builders for bathhouse improvement project Administrator McGuire noted that Jansen Builders has requested final payment for the Lakeside Beach Remodeling Project, however there are outstanding issues that the builder needs to complete The main issue is that the hot water heater is undersized and does not meet the Washington County Health Department requirements. Staff has been working with the mechanical engineer and architect to fix the problem He stated the contractor followed the specifications installing the water heater. and it needs to be determined who is responsible for paying for the correction. He does not believe the city should be responsible. He also noted that money had previously been withheld due to an issue with the size of the water pipe for the building; this issue has been resolved. He suggested payment options, including reducing the requested final payment of $14,781.16 to $10,000 00, with release of the final payment approved at the June City Council meeting, to ensure completion of the outstanding issues. Discussion followed on compensating the contractor for the satisfactory work completed, yet withholding money for the outstanding issues. Councilmember Kraftson suggested waiting to see if the current hot water

heater meets the needs of the building; however, Administrator McGuire stated it must be corrected prior to issuance of a certificate of occupancy.

It was moved by Councilmember Carlson to authorize payment of $10,000.00 of the balance due to Jansen Builders for the Lakeside Beach Remodeling Project.

Councilmember Kraftson believes the City Council should either approve or disapprove the entire amount at this time. He recommended authorizing the final payment amount of $14,781.16, contingent upon the satisfactory completion of items 1-4 noted in Project Architect Mark Lenz's letter of May 15 2008.

Councilmember Carlson retracted her motion

It was moved by Councilmember Kraftson and seconded by Councilmember Carlson to authorize final payment of $14,781.16 to Jansen Builders, contingent upon items 1-4 of the punch list being completed.
Discussion ensued on completion of item 5 (hot water flow)

It was moved by Councilmember Kraftson and seconded by Councilmember Carlson to amend his motion to state payment would be contingent upon completion of items 1-5 of the punch list. Motion carried.

Discuss Bayport Community Action League (BCAL) donation: Councilmember Ridgway stated the BCAL would like to make a donation to the city for a specific item/project, in an amount to be determined, but probably in the $1,000.00-$3,000.00 range. Items discussed were a grill for the bathhouse, playground equipment, flower planters, or park benches. Councilmembers decided to continue the discussion to the next agenda topic and future meetings, as necessary.

UNFINISHED BUSINESS
Update on the master park plan for Barker's Alps Park: Administrator McGuire noted the challenge of financing further park improvements and indicated the new developers of the Inspiration development may be willing to pay additional park dedication fees upfront, in order to enhance parks closer to Inspiration.

Architect Larry Wacker provided a brief overview of the two new concept plans for Barker's Alps Park. The main difference between concepts A and B is that concept A moves the ball infield to the southwest corner of the open field space. Relocating the ball field would cost approximately $120,000.00. Councilmember Kraftson voiced concern that the plans were not beyond the concept stage. Administrator McGuire noted the plans for Barker's Alps are not further along due to the time spent on Lakeside Park and the lack of park dedication funds from new development. Council-members unanimously voiced their support for concept B. Due to time constraints at tonight's meeting, councilmembers agreed to start the regularly scheduled June 2nd City Council meeting at 5:00 p.m. to discuss the Barker's Alps Park master park plan in further detail.

Councilmember Kraftson invited the public to the Lakeside Park bathhouse grand opening event set for Tuesday, May 20th, 4:00 p.m. – 6:00 p.m.

ADJOURNMENT
It was moved by Councilmember Carlson and seconded by Councilmember Kraftson to adjourn the meeting at 5:50 p.m. Motion carried.

CITY OF BAYPORT
SPECIAL CITY COUNCIL MEETING MINUTES
COUNCIL CHAMBERS
MAY 19, 2008
FOLLOWING PLANNING COMMISSION MEETING

CALL TO ORDER

Pursuant to due call and notice, Mayor Nowaczek called the special City Council meeting of May 19, 2008 to order at 8:15 p.m., and asked Councilmembers, staff and the audience to join in pledging allegiance to the American Flag

ROLL CALL

Members Present: Mayor Jon Nowaczek, Councilmembers Connie Carlson, Dan Johnson, Torry Kraftson, and Sharon Ridgway

Members Absent: None

Others Present: Administrator Mike McGuire, Public Works Supervisor Mel Horak, Assistant Administrator/Planner Sara Taylor, and Attorney Nick Vivian

NEW BUSINESS

Consider a request for a conditional use permit to operate a restaurant at the existing building located at 101 5th Avenue South, adjacent to the Bayport Marina: Mayor Nowaczek recognized the unique situation of the application before the city, given the location of the establishment and the surrounding neighbors He believes the Planning Commission public hearing aired all the issues in a fair manner He noted the city's desire to balance the applicant's request with the greater needs of the community Assistant Administrator/Planner Taylor reviewed the recommendations of the Planning Commission, noting the conditions of approval and findings of fact were approved as presented in the staff report, with the exception of the hours of operation The hours recommended by the Planning Commission were 8:00 a.m.-11:00 p.m. Sunday-Thursday and 8:00 a.m -12 00 a.m. Friday-Saturday. She noted that the sale of liquor on Sunday cannot begin before 10:00 a m. It was noted that the applicant is requesting reinstatement of the former conditional use permit (CUP). The entire text of the original CUP is not included in the staff materials, since it is quite lengthy and only two conditions, seating capacity and exterior lighting, pertain specifically to the restaurant building. Staff believes that additional conditions of approval for the CUP reinstatement should be considered for amendment at this time

Councilmember Ridgway believes the outdoor music noise issue can be addressed through enforcement of the city's noise ordinances and questioned whether dancing should be addressed in the CUP She stated that most restaurants have a specified kitchen closing time, and feels that a fine dining restaurant can finish its business within an hour or so of that time She believes the recommendations of the Planning Commission are reasonable, but also sees the merits of a 1 00 a m. closing. Administrator McGuire indicated the City Council may want to add a specific time that the premises must be cleared It was noted that whatever hours are decided, it would mean that patrons would have to be out by that time

Councilmember Carlson stated she checked with other area fine dining restaurants and most kitchens close by 11:00 p.m., including weekends. She questioned whether Mr. Scanlon could request additional hours of operation for special events, beyond what is approved in the CUP. Administrator McGuire indicated that the City Council could specify permission for a certain number of special use events per year in the CUP to allow for a later closing time. She added that the dumpster area should be enclosed

Councilmember Kraftson believes the Planning Commission did a good job of balancing the concerns of all parties and made fair recommendations, which he supports. He would like the Police Department to be proactive in monitoring any noise complaints and potential impaired driving concerns. He would appreciate Mr. Scanlon following through with previous statements to the City Council regarding promoting responsible drinking at his business.

Councilmember Johnson concurred with Councilmember Kraftson's comments and indicated to Mr. Scanlon that he is willing to change the hours of operation in the future, if the applicant can show good reason. However, he is concerned that the issues raised by the residential neighbors need to be addressed and believes the staff and Planning Commission recommendations are fair. He recommended that additional language is needed regarding proper screening/enclosure of the dumpster.

Mayor Nowaczek spoke to the additional Service Availability Charge (SAC) fees that will be charged to the restaurant building by the Metropolitan Council. He noted the fees, based on seating capacity, must be paid prior to opening the restaurant, and he recommended that specific language regarding payment of the fees be added as a condition of approval. Administrator McGuire noted that additional SAC fees, and related city sewer/water access fees, were not paid when the deck was added to the restaurant years ago, and the Metropolitan Council is now reviewing for additional SAC charges. He added that the Metropolitan Council and city fees would need to be paid prior to the issuance of the requested liquor licenses.

Councilmember Kraftson introduced the following resolution and moved its adoption, noting approval based on the conditions as listed in the Planning Commission staff report, with the hours of operation revised to 8:00 a.m.-11:00 p.m. Sunday-Thursday and 8:00 a.m.-12:00 a.m. Friday and Saturday, required enclosure of the dumpster area completed prior to reinstatement of the CUP, and compliance with the Metropolitan Council SAC fees. He revised his motion to state applicant could put money into escrow to cover the Metropolitan Council's current claim.

Resolution 08-07

RESOLUTION APPROVING THE REINSTATEMENT OF A CONDITIONAL USE PERMIT (CUP) TO OPERATE A RESTAURANT AT 101 5TH AVENUE SOUTH, LEGALLY DESCRIBED AS LOT 2, BLOCK 2, BAYPORT MARINA, BAYPORT, WASHINGTON COUNTY, MINNESOTA

The motion for adoption of the foregoing resolution was duly seconded by Councilmember Johnson and upon roll call being taken thereon, the following vote via voice:

Jon Nowaczek aye	Torry Kraftson – aye
Connie Carlson aye	Sharon Ridgway – aye
Dan Johnson – aye	

UNFINISHED BUSINESS

Consider approval of liquor licenses for the establishment "Refuge on the River" located at 101 5th Avenue South: Councilmember Johnson stated he was in favor of approving the requested liquor licenses, noting that the CUP conditions pose some limitations on the applicant's licensure. Councilmember Ridgway requested clarification on the licenses and indicated she was in favor of approval. Attorney Vivian clarified that staff recommended approval of the liquor licenses conditioned upon the same requirements as the CUP approval.

It was moved by Councilmember Johnson and seconded by Councilmember Carlson to approve the liquor licenses requested by Mike Scanlon for his business, Refuge on the River, located at 101 5th Avenue South, subject to the same conditions as the conditional use permit issued for the property

Councilmember Kraftson questioned whether the applicant's liquor licenses could be approved prior to meeting the conditions of the CUP, noting it may take some time to complete the process Councilmember Johnson noted that the restaurant cannot open without the property meeting all the CUP conditions of approval and indicated he does not think the liquor license approval should be conditioned upon the same, as noted in his motion Staff clarified it was their intent to allow the applicant to start the process for liquor license approval with the State of Minnesota, but under no conditions would the city issue the licenses unless all conditions of the CUP were satisfied Mayor Nowaczek reiterated that the applicant could escrow funds for the anticipated SAC charges, should the Metropolitan Council determination slow the process.

Motion carried.

ADJOURNMENT

It was moved by Councilmember Carlson and seconded by Councilmember Johnson to adjourn the meeting at 8:50 p.m Motion carried.

City of Bayport
SPECIAL EVENT APPLICATION

Licensing Requirements

A special event application form is required for individuals or organizations who wish to hold a public or private event in the city and require the use of city property and/or special city services For most special events, City Council approval is required. Therefore, it is important to plan ahead and submit the application form to City Hall at least two weeks prior to a regularly scheduled City Council meeting, which is usually held the first Monday of the month. For example, if the proposed event is to be held on April 15, 2006, the special event application form and fee must be submitted by March 20 2006 in order to be considered at the April 3, 2006 City Council meeting.

Following the City Council meeting, city staff will inform the applicant whether or not the event was approved City staff will also work with the applicant to coordinate special requests for city services associated with the event.

Dear Members of the Bayport City Council.

We have tried to be as complete as possible in the information provided below. Please do not hesitate to contact us if you require more information. Thank you for your time in the consideration of our application.

Respectfully,
Jonathan Van Zee and Marynel Ryan TELEPHONE 612 788 0496

Event: Post-wedding celebration for Jonathan Van Zee and Marynel Ryan

Date: August 2, 2008

Location: Barker's Alps Park

Time: Rental of Shelter from 7am to 9pm; set up will occur by 2pm; actual arrival of guests and use of the park will occur between 3pm and 9pm. We will be married at the Bayport Public Library at 2pm and walk to the park thereafter.

Number of Guests: About 90 (ca. 25 children)

Description of Event:

We have planned to include prepared food in our event; our caterer, Phil Vanner of the Square Peg Diner, is licensed by the City of Minneapolis Chris Keller, the Health Inspector for Washington County, indicated by phone that a Minneapolis license is sufficient, so there are no license applications attached.

Phil's license number is L15950366 (Vanner Enterprises dba Square Peg) and may be verified through the City of Minneapolis at 612 673 3000. He expects to receive a copy of his renewed license (which just went through) very soon and we will be able to provide you with a copy of that well in advance of the event, should you require one.

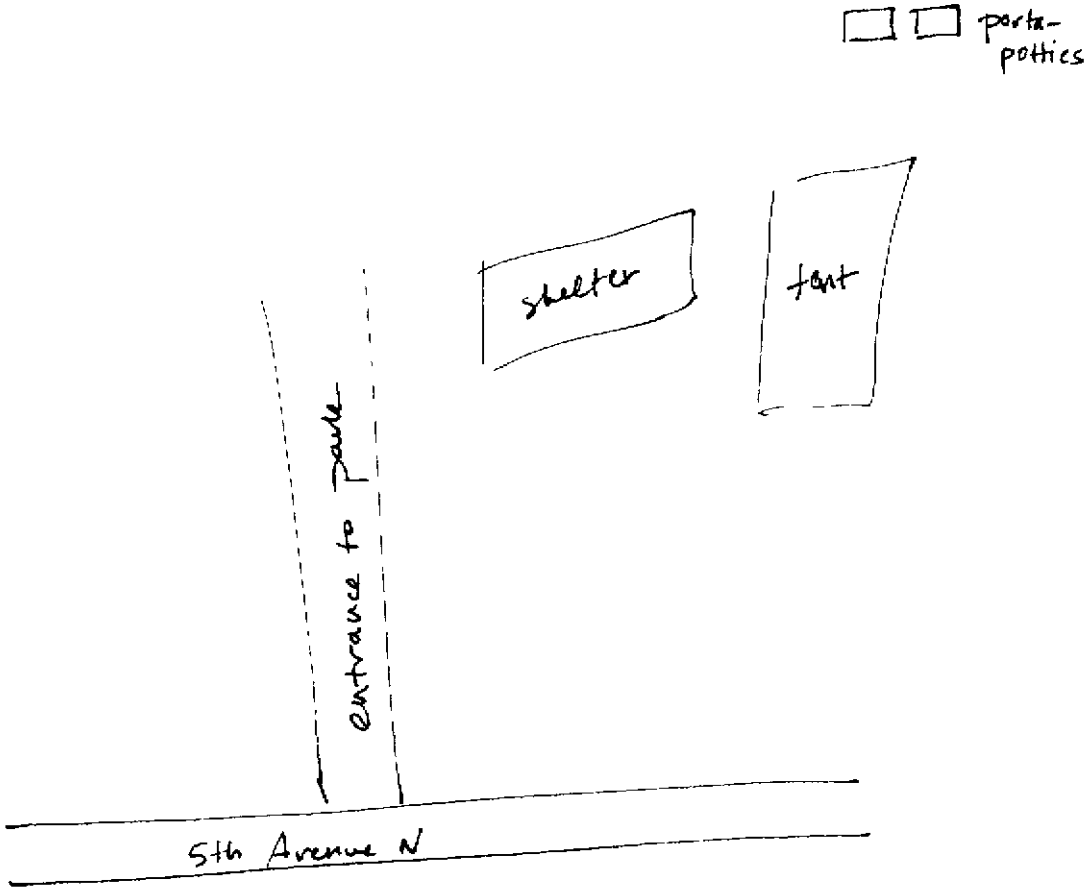
With your permission, we will have an event tent (20' x 30', Aarcee Tents, 952-922-7233) placed next to the picnic shelter so that we are prepared in the event of bad weather. Under the tent, we will place a group of tables and chairs for guest seating during the meal. We will be using non-disposable plates, cups, flatware, tablecloths, and napkins, and we will be happy to work with Public Works to figure out how to handle what garbage we do have.

We have also planned to serve some alcohol. Our caterer does not handle alcohol, so we have planned to order a keg of beer and allow our adult guests to serve themselves All beverages will be served in plastic containers.

In addition to the tent, with your permission, we would like to have two self-contained freshwater porta-potties delivered to the park on the morning of Saturday, August 2, to be picked up the morning of Sunday, August 2, as well as a hand-washing station for the caterer and his helpers. The provider for these would be Jimmy's Johnnies (651 277 5912). The units are delivered ready-to-go: we would not need city water to operate them.

With your permission, we would like to play recorded music with a battery-operated system. Since the music would not be live, it should not be very loud.

Diagram of our proposed use of Barker's Alps Park:



Children's Cancer Research Fund

May 13, 2008

Mr. Mike McGuire
City of Bayport
294 North 3rd Street
Bayport, MN 55003

Dear Mr. McGuire,

On behalf of Children's Cancer Research Fund (CCRF), I am requesting permission from the Bayport City Council to allow CCRF to hold the 6th annual Scott Gazda fundraising raffle at the Bayport Marina. The raffle drawing will take place on Thursday, August 14, 2008 at 3:00 pm and tickets will be sold for $2.00 each.

I assure you and the City Council that CCRF will follow all standard rules of exempt gambling set forth by the Minnesota Gambling Control Board.

Children's Cancer Research Fund is dedicated to finding a cure for childhood cancer, a serious illness that affects hundreds of children each year. In order to achieve this goal Children's Cancer Research Fund provides funding to the University of Minnesota for research and training related to the prevention, treatment, and cure of childhood cancer, supports quality-of-life programs for pediatric cancer patients and their families, and educates the public about childhood cancer.

Thank you in advance for your consideration of this request. Please contact Betsy Pedersen, Events & Programs Coordinator, at 952-746-9431 with any further questions.

Sincerely,

John Hallberg
CEO

7901 East Bush Lake Road, Suite 150 Minneapolis MN 55439 952-893-9355 888-423-7348

RE Bayport, Minnesota
Storm Water Management Plan
SEH No A-BAYP00804 00 14 00

Honorable Mayor and City Council
City of Bayport
294 North Third Street
Bayport, MN 55003

Attention Mike McGuire, City Administrator

We have been in contact with the Middle St Croix Watershed Management Organization (MSCWMO) about the needs for a Surface Water Management Plan required as a part of the Comprehensive Plan Update At present, the City of Bayport has ordinances addressing storm water management, and reference and use the MSCWMO plan as a guide in managing its storm water system Our first discussions with the watershed indicated that we could again reference the watershed plan Recently, we were informed that Bayport will need to prepare their own plan instead of adopting the MSCWMO plan The Metropolitan Council has also indicated their preference for the City preparing a plan Approval of the City's Comprehensive Plan Update will not occur without this plan.

The main components that need to be included in the Surface Water Management section of the Bayport Plan include Goals and Policies (which will be the same as the MSCWMO's), an implementation plan and identification of existing and potential water resource-related problems I have talked with our Water Resource group about the cost to prepare the plan We will prepare the Storm Water Management section of the Comprehensive Plan Update for a not to exceed cost of $5,000. I will be available to discuss this with the Council

Sincerely,

SHORT ELLIOTT HENDRICKSON INC

The lessor must attach documentation, verified by the organization, to confirm the comparable rate and all applicable costs to be paid by the organization to the lessor.

Bar Bingo Rent

____ **Option F:** No rent may be paid for bingo conducted in a bar.

For any new bingo activity not previously included in a Premises Permit Application, attach a separate sheet of paper listing the days and hours that bingo will be conducted.

Amended Lease Only

If this is an amended lease showing changes occurring during the term of the current premises permit, both parties that signed the lease must initial and date all changes. Changes must be submitted to the Gambling Control Board **at least 10 days prior** to the change. Write in the date that the changes will be effective ____/____/____

Lessor _____ Date _____ Organization _____ Date _____

LG215 Lease for Lawful Gambling Activity

Lease Term - The term of this lease agreement will be concurrent with the premises permit issued by the Gambling Control Board (Board).

Management of Gambling Prohibited - The owner of the premises or the lessor will not manage the conduct of gambling at the premises.

Participation as Players Prohibited - The lessor, the lessor's immediate family, and any agents or gambling employees of the lessor will not participate as players in the conduct of lawful gambling on the premises

Illegal Gambling

- The lessor is aware of the prohibition against illegal gambling in Minnesota Statutes 609.75, and the penalties for illegal gambling violations in Minnesota Rules 7861.0050, Subpart 3. In addition, the Board may authorize the organization to withhold rent for a period of up to 90 days if the Board determines that illegal gambling occurred on the premises and that the lessor or its employees participated in the illegal gambling or knew of the gambling and did not take prompt action to stop the gambling. Continued tenancy of the organization is authorized without the payment of rent during the time period determined by the Board for violations of this provision.
- To the best of the lessor's knowledge, the lessor affirms that any and all games or devices located on the premises are not being used, and are not capable of being used, in a manner that violates the prohibitions against illegal gambling in Minnesota Statutes 609.75, and the penalties for illegal gambling violations in Minnesota Rules 7861.0050, Subpart 3.
- Notwithstanding Minnesota Rules 7861.0050, Subpart 3, an organization must continue making rent payments, pursuant to the terms of the lease, if the organization or its agents are found to be solely responsible for any illegal gambling conducted at that site that is prohibited by Minnesota Rules 7861.0050, Subpart 1, or Minnesota Statutes 609.75, unless the organization's agents responsible for the illegal gambling activity are also agents or employees of the lessor.
- The lessor shall not modify or terminate the lease in whole or in part because the organization reported to a state or local law enforcement authority or the Board the occurrence at the site of illegal gambling activity in which the organization did not participate

Other Prohibitions

- The lessor will not impose restrictions on the organization with respect to providers (distributors) of gambling-related equipment and services or in the use of net profits for lawful purposes.
- The lessor, person residing in the same household as the lessor, the lessor's immediate family, and any agents or employees of the lessor will not require the organization to perform any action that would violate statute or rule. If there is a dispute as to whether a violation of this provision occurred, the lease will remain in effect pending a final determination by the Compliance Review Group (CRG) of the Gambling Control Board. The lessor agrees to arbitration when a violation of this provision is alleged. The arbitrator shall be the CRG.
- The lessor shall not modify or terminate this lease in whole or in part due to the lessor's violation of the provisions listed in this lease

Access to permitted premises - The Board and its agents, the commissioners of revenue and public safety and their agents, and law enforcement personnel have access to the permitted premises at any reasonable time during the business hours of the lessor. The organization has access to the permitted premises during any time reasonable and when necessary for the conduct of lawful gambling on the premises.

Lessor records - The lessor shall maintain a record of all money received from the organization, and make the record available to the Board and its agents, and the commissioners of revenue and public safety and their agents upon demand. The record shall be maintained for a period of 3-1/2 years.

Rent all-inclusive - Amounts paid as rent by the organization to the lessor are all-inclusive. No other services or expenses provided or contracted by the lessor may be paid by the organization, including but not limited to trash removal, janitorial and cleaning services, snow removal, lawn services, electricity, heat, security, security monitoring, storage, other utilities or services, and in the case of bar operations, cash shortages. Any other expenditures made by an organization that is related to a leased premises must be approved by the director of the Gambling Control Board. Rent payments may not be made to an individual.

Acknowledgment of Lease Terms All obligations and agreements are contained in or attached to this lease and are subject to the approval of the director of the Gambling Control Board. I affirm that the lease information is the total and only agreement between the lessor and the organization. There is no other agreement and no other consideration required between the parties as to the lawful gambling and other matters related to the lease. Any changes in this lease will be submitted to the Gambling Control Board at least 10 days prior to the effective date of the change. If a renegotiated lease is made due to a change in ownership, the new lease will be submitted within 10 days after the new lessor has assumed ownership.

List or attach other terms or conditions (must be approved by director of Gambling Control Board)

Either party may terminate Lease at anytime

Re: Appraisal for 226 3rd Street North

Approximately two years ago, the city got an appraisal for the house adjacent to the City Hall parking lot (226 3rd Street North). The value indicated was $170,000.00. The property owner at the time decided not to sell until a future date.

Recently, the owner, Donna Hogberg, contacted me and indicated that they are considering selling the property. I told her because the appraisal was close to two years old, we would have to get it updated The cost would be approximately $300.00.

I request the councilmembers' thoughts on purchasing the property and authorization to get the appraisal updated.

The first two pages of the previous appraisal are attached.

RE: Bayport, Minnesota
Pete Miller Water Main Extension
Feasibility Report
SEH No. A-BAYPO0801.00 14.00

Honorable Mayor and City Council
City of Bayport
294 North Third Street
Bayport, MN 55003

Attn: Mike McGuire, City Administrator:

The City of Bayport has received a request to extend City water service to property owned by Pete Miller. The property is located in the southwest corner of the 30th Street North and Stagecoach Trail (CSAH 21) intersection, just east of the Miller Farms South plat. The site is located within Baytown Township, however through cooperative agreements; the City has previously extended water service to the properties within Baytown Township, including the Miller Farms South just to west of the property under consideration. The preparation of a Feasibility Report was required to investigate the ability to provide service, estimated costs and cost recovery. Since the project was initiated by petitioned from the affected property owner, a public hearing will not be required. The attached map shows the project location.

With the discovery of trichloroethylene (TCE) in the aquifers that supply water to much of Baytown Township, and the City of Bayport, both communities have worked to minimize the number of wells drilled into the Minnesota Department of Health (MDH) Special Well Construction Area (SWCA). Through cooperative agreements, Bayport has agreed to supply water service to limited properties located in the Township. The area under consideration is located to the east of the Miller Farms South development, a 5 lots plat that has under previous agreements been served with water.

It is proposed to connect to the existing 8" ductile iron pipe (DIP) water main located at the intersection of 30th Street North and 30th Court North, the entrance into Miller Farms South. An 8" DIP water main would be constructed westerly along the south side of 30th Street North to east property line of the Miller Farms South plat. The lateral would be extended southerly within the proposed parcels to be served. A hydrant is proposed to be constructed along 30th Street and a second at the southerly end of the water main extension, to provide fire protection and for maintenance. One inch (1") water services would be extended for each parcel. It is recommended that the water mains be public, so utility easements will be required from the property owners for maintenance purposes. Drawing No. 1 shows the proposed water main improvements. Drawing No. 3 shows the temporary and perpetual easements required.

The estimated project cost for the water main improvements is $84,430. This cost is estimated based on 2008 construction and includes contingencies, and 25% for engineering, legal, and administrative costs. A copy of the cost estimate is attached.

In addition to the above project costs, properties developing in Bayport and Baytown Township that connect to the City of Bayport water system are required to pay Area and Connection charges and to reimburse the Inspiration and Baytown Developers for costs associated with the construction of trunk improvements within Baytown Township (ground reservoir, booster station, trunk water mains). The area and connection charges are required to help pay the costs associated with the installation of trunk sanitary

sewer and water facilities and to reserve capacities for additional facilities to be connected to the system Bayport Area Charges are determined based on gross area. Current Bayport water area rate is $1,200 per acre. Water Availability Charges (WAC) are billed based on Metropolitan Council of Environmental Services (MCES) SAC units. The current Bayport WAC rate is $1,200/unit The rate for reimbursement to the Inspiration and Baytown Township developers is currently $2,472.62 per lot Based on the current rates, the following is a summary of the Area and Connection charges.

	Rate	Parcel 1		Parcel 2		Parcel 3	
		Units	Total	Units	Total	Units	Total
Water Area Charge	$1,200.00	2.77 Ac	$3,324 00	2.15 Ac.	$2,580.00	2 12 Ac	$2,544 00
City WAC (Connection)	$1,200 00	1 SAC	$1,200 00	1 SAC	$1,200 00	1 SAC	$1,200 00
Developer Reimbursement	$2,472.62	1 Lot	$2,472.62	1 Lot	$2,472.62	1 Lot	$2,472 62
Total Area, Connection and Reimburseable Charges			$6,996.62		$6,252 62		$6,216 62
Estimated Project (split 3 ways) $84,430/3 parcels			$28,143 33		$28,143 33		$28,143 33
Total Estimated Costs			$35,139.95		$34,395 95		$34,359 95

The extension of water service to the proposed 3 parcels in Baytown Township as noted above are feasible and economical from the engineering standpoint. The property owners will need to determine their own economic feasibility. The improvements are also necessary to allow for development of the property and to minimize the need to drill a private well in the contaminated aquifer in the Minnesota Department of Health (MDH) Special Well Construction Area (SWCA) It is recommended that the water main improvements be public facilities with the Bayport Public Work provicing maintenance similar to the water mains currently installed in Baytown Township. This will require that utility easements be provided to cover the water main lateral.

Sincerely,

Barry C Peters, PE
City Engineer, Reg. No. 14148

ECKBERG LAMMERS
MEMORANDUM

TO: Honorable Mayor and City Council

FROM: Nicholas J. Vivian

DATE: April 9, 2008

RE: Bayport, City of - Extension of Water System to Peter Miller Property 13467-17225

Enclosed for your review and consideration, you will find proposed Addendum No. 3 to the Joint Powers Agreement dated October 3, 2005 by and between the City of Bayport and the Town of Baytown. It is my understanding that Peter J. Miller and William J Keefer have been granted permits and zoning approval by the Town of Baytown for the development of three (3) residential parcels of real estate located immediately south of the Miller Farms property that was the subject of Addendum No. 1 to the Joint Powers Agreement between the City of Bayport and the Town of Baytown.

In order to facilitate the Miller/Keefer development, the Town of Baytown has requested that the City of Bayport consider the extension of its municipal water service to provide to the development to provide the advantage of municipal water service to the newly created parcels. As the original Joint Powers Agreement between the City of Bayport and the Town of Baytown requires the express written consent of both the City and the Town before the water service can be enlarge or extended, the City Council must approve any change to the original Joint Powers Agreement.

Much like the addendum to the Joint Powers Agreement that was approved by the Council with respect to the St. Croix Prep property, Addendum No. 3 for the Miller/Keefer development requires that the design of the water service to serve the development is subject to the approval of the Bayport City Engineer, that the City of Bayport and the petitioners will work cooperatively to design and construct the necessary connections with the City of Bayport provided that a deposit is made by the petitioners in an amount equal to the estimated costs of the work and all other conditions of the original Joint Powers Agreement, Addendum No. 1 and Addendum No. 2 remain in full force and effect.

Staff recommends approval of Addendum No. 3 to the Joint Powers Agreement for the extension of the water system to the Miller/Keefer development located in the Town of Baytown

NJV:dn

ADDENDUM NO. 3
TO
JOINT POWERS AGREEMENT

This is Addendum No. 3 to the Joint Powers Agreement dated October 3, 2005, (the "Agreement") by and between the City of Bayport, Washington County, Minnesota ("Bayport") and the Town of Baytown, Washington County, Minnesota ("Baytown").

RECITALS

1. Peter J. Miller and William J. Keefer (Petitioners) have been granted permits and zoning approval by Baytown for the development of three residential parcels on real estate described in Exhibit "A" (the "Development").

2. In order to facilitate the Development, Baytown has requested Bayport to consider the extension of its municipal water service to provide the advantage of municipal water service to the Development.

3. The Agreement requires the express written consent of both Baytown and Bayport before the water service, already extended into Baytown, can be enlarged or extended.

4. The parties therefore agree that the Agreement, as amended by Addendum No. 1 and Addendum No. 2, be further amended to include the following conditions:

a. The water service shall be extended to the Development at the sole cost of the Petitioners.

b. The design of the water service to serve the Development will be subject to the approval of the Bayport City Engineer; and

c. Bayport and Petitioner will work cooperatively to design and construct the necessary connections with Bayport in order to extend the water service to the boundary of the Development, provided that a deposit is made by the Petitioners in an amount equal to the estimated costs of the work as outlined in the feasibility report prepared by the Bayport City Engineer.

5 Subject to all other terms, conditions, obligations and covenants contained in the Joint Powers Agreement dated October 3, 2005, as amended by Addendum No. 1 and Addendum No. 2, will remain in full force and effect.

IN WITNESS WHEREOF, the parties have set forth their hands and seals this day first written above.

ORDINANCE NO. _____

AN ORDINANCE AMENDING CHAPTER 24 OF THE CITY OF BAYPORT'S CODE OF ORDINANCES ESTABLISHING A CREMAINS BURIAL AREA WITHIN HAZELWOOD CEMETERY

The City Council of the City of Bayport, Washington County, Minnesota does hereby ordain as follows

Section 1. Amendment. Section 24-1 "Location Plat; prohibition of other cemeteries" is hereby amended to include the following which shall appear subsequent to the existing wording language contained within the Section:

> A cremains burial area located within Hazelwood Cemetery shall be designated by the City Council and defined by plat. A plat of the cremains burial area as defined by the Certificate of Survey prepared by Landmark Surveying, Inc., dated March 20, 2008, is on file in the office of the city administrator and is hereby adopted as the official plat of the cremains burial area located within Hazelwood Cemetery. The cremains burial area shall be governed by rules and regulations established by the City Council for use of Hazelwood Cemetery.

Section 2. Effective Date This Ordinance shall be in full force and effect from and after its passage and publication according to law.

Adopted by the City Council for the City of Bayport this ___ day of _____ _____, 2008.

M E M O R A N D U M

DATE: **May 28, 2008**

TO: **City Council (June 2nd meeting)**
Mike McGuire, City Administrator

FROM: **Sara Taylor, Assistant City Administrator/Planner**

SUBJECT: **Consider variances from the side and rear lot line setback requirements to allow construction of a new home and attached garage at 186 Maine Street North**

A. BACKGROUND

The property is located at 186 Maine Street North and is legally described as the east 75 feet of the north 40 feet of the northeast quarter of Block 58 of Bayport, Washington County, Minnesota. Its dimensions are approximately 40' on the west and east lot lines, and 75' along the north and south lot lines, with a total lot area of approximately 3,000 square feet. The subject property is surrounded by residential uses and is zoned R-2 Single-family urban.

The applicant, Gary D. Swager, Diversified Builders, Inc., has submitted this application on behalf of his cousin, Gary L. Swager, for variances to allow construction of a new home and attached garage. Currently, the property contains a single-family home that does not comply with any setback requirements, is in a state of disrepair, and requires a significant amount of maintenance. Due to the cost associated with the required maintenance, the property owner has decided it would be more cost effective to pursue the construction of a new home. The footprint of the proposed house will actually be smaller than the existing house. However, because of the small lot size, there is very little buildable area to construct a reasonably sized house and garage that meet all of today's setback requirements. For this reason, variances from the side and rear lot line setback requirements are being requested.

The Planning Commission held the required public hearing on May 19, 2008. Notice of the hearing was mailed to all property owners within 350' of the subject property and published in the Stillwater Gazette on May 6, 2008.

The following informational items are attached:

- narrative by the property owner
- site plan and photos of the existing house and property conditions
- exterior sketches, floor plan, and site plan of the proposed house
- site plan overlay with existing and proposed conditions
- photos of adjacent properties

B. STAFF COMMENTS

As stated above, the property contains an existing single-family house, which to the best of our knowledge, is 100+ years old, and is approximately 1,000 square feet. It appears that the property was part of a larger parcel of land, but in 1973 (prior to adoption of the zoning code) it was split off from this parcel, to allow development and construction of the adjacent townhouses to the south. As a result, the existing parcel was created, which is approximately 3,000 square feet and significantly less than the 10,000 square foot

minimum lot size that is now required by the zoning code In addition, because of the lot split, the existing house does not meet any of the setbacks required by the zoning code

The applicant and property owner are proposing to remedy the deferred maintenance on the existing house and its non-conforming status with required setbacks by demolishing the existing home and constructing a new single-family home, which will conform with the front yard and south side yard setback requirements, and be a visual improvement for the neighborhood The proposed house will be built on frost footings, with a crawl space, and architecturally resemble a traditional style two-story, measuring 18 feet x 34 feet, with a footprint of approximately 612 square feet The proposed garage is attached to the house, measuring 14 feet x 20 feet, with approximately 280 square feet

The applicant is requesting an 8 foot variance to allow the house to be set back 12 feet from 1st Avenue North and a 5 foot variance to allow the garage to be set back 15 feet from 1st Avenue North The applicant is also requesting a 23 foot variance to allow the living space to extend above the attached garage, at a setback of 7 feet from the rear property line. Although this variance may seem extraordinary, it should be noted that it will provide the applicant with valuable living space that will not add to impervious coverage, nor encroach closer to the rear lot line than the foundation wall of the garage (the garage does not require a variance)

The applicant has not included impervious calculations for any sidewalks or a driveway with the application materials However, these amenities will need to be installed, to access the property Staff recommends a 2 foot x 20 foot front sidewalk, leading from the front door to Maine Street and an 18 foot x 15 foot driveway from the garage to 1st Avenue North, for a total of 310 square feet Because of the limited lot size, this additional impervious coverage would result in coverage over 35% Therefore, staff feels it is necessary to require these amenities be implemented with pervious pavers, porous asphalt, or the like, to help reduce water runoff and allow infiltration

Staff has yet to develop a formal policy to "credit" property owners for using pervious materials, but feels it may not be in the best interest of the city to treat pervious surfaces the same as green space, because we do not know the long term effectiveness of these products at this time and these materials may be replaced with impervious materials at some point in the future However, staff feels that it may be appropriate to start with a 50 % credit, i e a property owner could install twice as much pervious surface as impervious surface to count towards the impervious coverage Using this formula, the applicant could install the additional 310 square feet of necessary sidewalk and driveway areas, but only 155 square feet would count towards impervious coverage. This would ensure adequate access and off-street parking area

	REQUIRED	EXISTING	PROPOSED
FRONT YARD SETBACK	20 FT	13 FT	20 FT
NORTH SIDE YARD SETBACK	20 FT	≈ 3 5 FT	12 FT HOUSE 15 FT GARAGE
SOUTH SIDE YARD SETBACK	10 FT HOUSE 5 FT GARAGE	9 FT HOUSE NA	10 FT HOUSE 5 FT GARAGE
REAR YARD SETBACK	30 FT HOUSE 5 FT GARAGE	19 FT HOUSE NA	7 FT HOUSE (LIVING SPACE ABOVE GARAGE) 7 FT GARAGE
IMPERVIOUS COVERAGE	35% MAXIMUM	≈ 35%	≈ 35%

It should be noted that as part of the review process for the application, staff has assessed the setbacks and conditions of the adjacent properties According to the boundary survey that was prepared as part of this application, it appears that most of the neighboring properties along 1st Avenue North are currently non-compliant with the 20 foot setback requirement for buildings/structures. In addition, most of the properties are utilizing the public right-of-way between their property line and the paved portion of 1st Avenue North as a permanent solution to the lack of parking for these multiple-family residences As such, it may be in the best interest of the city to consider vacating a portion of 1st Avenue North at some point in the future, to help bring adjacent properties and the subject property into compliance with setback requirements

However, as proposed, staff feels that the new house and garage will be consistent with setbacks for adjacent structures and therefore will not have a negative impact on the neighborhood

C. *SUGGESTED FINDINGS OF FACT AND CONDITIONS OF APPROVAL*

Minn Stat 462 357 requires that a variance request must meet all three criteria of an undue hardship for the variance to be granted. The criteria is as follows (1) the property in question cannot be put to a reasonable use if used as required by this Zoning Code; and (2) the plight of the landowner is due to circumstances unique to the property and not created by the property owner, and (3) the variance, if granted, will not alter the essential character of the locality. Economic considerations alone shall not constitute a hardship if a reasonable use for the property exists under the terms of the ordinance

Findings of fact to approve the variances. Strict application of the ordinance in this particular case would constitute an undue hardship, because all three of the required criteria are met Specifically

(1) The existing house is in need of significant maintenance and due to the size of the lot, there is little buildable area to construct a new house and garage that meet the setback requirements of city code In order to permit reasonable use, and allow construction of a new house and garage similar in size and impervious coverage to the existing house, variances would be appropriate.
(2) The parcel is unique in that it was created as a result of a lot split, prior to adoption of the zoning code, leaving the existing house non-conforming, and little room to construct a new reasonably sized house that meets today's setback requirements For this reason, staff feels that granting some flexibility in regard to the setback requirements would be appropriate.
(3) The setbacks for the proposed house and garage will be consistent with adjacent properties and the character of the neighborhood In addition, it will mitigate blight, and complement the newer and well maintained surrounding properties.

D. *PLANNING COMMISSION ACTION*

At its meeting on May 19, 2008, the Planning Commission voted 4-0 to recommend approval of the application, subject to the findings of fact as stated in section "C" and the conditions recommended by staff.

E. *RECOMMENDATION*

Staff recommends approval of Application 2008-02 for an 8 foot variance to allow the proposed house to be set back 12 feet from 1st Avenue North, a 5 foot variance to allow the proposed garage to be set back 15 feet from 1st Avenue North, and a 23 foot variance to allow the living space to extend above the attached garage at a setback of 7 feet. Suggested findings of fact are as stated in section "C" of the staff report and are subject to the following conditions of approval

- This application may be subject to the review and approval of the Middle St Croix Watershed Management Organization (MSCWMO) Any conditions required by the MSCWMO shall be implemented as part of this application.

- Prior to any demolition, a permit will need to be secured from the city, in addition to any inspections deemed necessary by city staff.

- ☐ Prior to the issuance of a building permit, the existing shed shall be removed

- ☐ Prior to the issuance of a building permit, a complete set of construction plans for the house and garage shall be submitted by the applicant, in accordance with the approved variances, for review and approval by city staff and the building official.

- ☐ The property shall meet all requirements of city code, with the exception of the setback variances granted by the City Council

- ☐ The access drive (driveway) and sidewalk for the property shall consist of pervious pavers, porous pavement, or the like, to reduce water runoff, and be installed to the specifications recommended by city staff and required by city code, to ensure adequate access and off-street parking area.

- ☐ Prior to the issuance of a certificate of occupancy, the house, garage, access drive and sidewalk must be completed per construction plans and specifications.

- ☐ Prior to any vegetative cutting for trees over 6 inches in diameter, a permit must be secured from the city

- ☐ Vegetative landscaping and/or sod must be restored/installed on all areas of the property not covered by structures no later than October 1, 2008.

- ☐ Sod must be restored/installed on all areas of the public right-of-way that were disrupted as part of the construction for this property no later than October 1, 2008

City Council action to approve or deny the application is requested.

4/17/08

BrayPort Planning Commission
Request for Variance / Set Back
Property Location ; 186 Maine St NO BrayPort, MN.
Property Owner ; Gary L Swager.

Reason to Approve Request:

The Above described property was owned by Garys Parents from March 1979 until their passing. Gary has inherited the property and the Estate has just legally been completed.

The Lot, (being 40' x 75') is substandard by Todays ordinances and currently has a 100+ yr old home with non conforming property line setbacks from every lot line. The existing home covers, 34.19% of the lot in Hard Surface and has no off street parking, driveway, or Garage.

The New home proposed on property Requires Set back variances on Rear Lot Line and Side yd towards St only. The Hard Surface Area Coverage of <u>Home and Garage</u> would be 29.73% of lot Area with Proposed New House

We believe A new home designed to fit into the Neighborhood Architecture would be A vast improvement for the owners, Neighbors, and City

Thank You
Gary Swager (cousin)
Pres Diversified Bldrs Inc

RESOLUTION NO. 08-

EXTRACT OF THE MINUTES OF THE CITY COUNCIL MEETING
CITY OF BAYPORT, WASHINGTON COUNTY, MINNESOTA
HELD JUNE 2, 2008

Pursuant to due call and notice therefore, the regular meeting of the City Council of the City of Bayport, Minnesota was duly held at the Bayport City Hall in said municipality on the 2nd day of June, 2008

The following members were present:

The following members were absent:

Council member _____ introduced the following resolution and moved its adoption

RESOLUTION APPROVING VARIANCES FOR CONSTRUCTION OF A NEW HOUSE AND ATTACHED GARAGE AT 186 MAINE STREET NORTH, LEGALLY DESCRIBED AS THE EAST 75 FEET OF THE NORTH 40 FEET OF THE NORTHEAST QUARTER OF BLOCK 58 OF BAYPORT, WASHINGTON COUNTY, MINNESOTA

WHEREAS, The city received a request from Gary D. Swager and Gary L. Swager to consider variances to allow construction of a new house and attached garage at 186 Maine Street North, and

WHEREAS, The Planning Commission of the City of Bayport held a public hearing on May 19, 2008 for the purpose of obtaining public comment on the variance application. At the close of the public hearing, the Planning Commission unanimously recommended approval of the variances to the City Council, and

WHEREAS, The City Council of the City of Bayport approved this application on June 2, 2008 at its regular meeting; and

WHEREAS, The City Council has made the following findings of fact:

FINDINGS OF FACT

A. On or about April 15, 2008 the city received a variance application to construct a new house and attached garage within the required setback area established by city code

B. The subject property is zoned R-2 Single-family Urban. As a result of a lot split in 1973, the existing parcel was created, which is approximately 3,000 square feet and significantly less than the minimum lot size of 10,000 square feet required by current code. As such, the existing house does not meet the setbacks required by current code, nor does the lot allow much buildable area to construct a new house and garage that meet current city code requirements

C. The existing house is in a state of disrepair and due to the cost associated with the required maintenance, the applicant has decided to pursue the construction of a new house and garage

D. Zoning Ordinance 601 specifies the requirements for building setbacks. Due to the limited lot size the applicant has requested an 8 foot variance to allow the proposed house to be set back 12 feet from 1st Avenue North, a 5 foot variance to allow the proposed garage to be set back 15 feet from 1st Avenue North, and a 23 foot variance to allow the living space to extend above the attached garage at a setback of 7 feet

E The Planning Commission of the City of Bayport held a public hearing on the applicant's variance application on May 19, 2008. At the close of the public hearing, the Planning Commission unanimously recommended approval of the variance request to the City Council

F The three (3) statutory requirements for granting a variance under the undue hardship standard are (1) the property in question cannot be put to a reasonable use if used as required by this Zoning Code, (2) the plight of the landowner is due to circumstances unique to the property and not created by the property owner; and (3) the variance, if granted, will not alter the essential character of the locality Economic considerations alone shall not constitute an undue hardship if reasonable use for the property exists under the terms of the ordinance See Minn. Stat §462 357

G Reasonable use would suggest that variances would be appropriate to allow construction of a new house and attached garage on the property. The request is consistent with residential uses and adjoining structures in proximity to the property. The house and garage would not alter the essential character of the neighborhood

H Based on paragraphs (A)-(G) above, the applicant has demonstrated an undue hardship, justifying the granting of the requested variances

NOW THEREFORE BE IT RESOLVED: By the City Council of the City of Bayport, Washington County Minnesota, does hereby ordain as follows

1. The application for the requested variance is hereby approved, subject to the conditions below, based on findings of fact above, and that the application meets the criteria of an undue hardship

- ❑ This application may be subject to the review and approval of the Middle St Croix Watershed Management Organization (MSCWMO) Any conditions required by the MSCWMO shall be implemented as part of this application.
- ❑ Prior to any demolition, a permit will need to be secured from the city, in addition to any inspections deemed necessary by city staff.
- ❑ Prior to the issuance of a building permit, the existing shed shall be removed
- ❑ Prior to the issuance of a building permit, a complete set of construction plans for the house and garage shall be submitted by the applicant, in accordance with the approved variances, for review and approval by city staff and the building official
- ❑ The property shall meet all requirements of city code, with the exception of the setback variances granted by the City Council
- ❑ The access drive (driveway) and sidewalk for the property shall consist of pervious pavers, porous pavement, or the like, to reduce water runoff, and be installed to the specifications recommended by city staff and required by city code, to ensure adequate access and off-street parking area.
- ❑ Prior to the issuance of a certificate of occupancy, the house, garage, access drive, and sidewalk must be completed per construction plans and specifications
- ❑ Prior to any vegetative cutting for trees over 6 inches in diameter, a permit must be secured from the city.
- ❑ Vegetative landscaping and/or sod must be restored/installed on all areas of the property not covered by structures no later than October 1, 2008.

- ❑ Sod must be restored/installed on all areas of the public right-of-way that were disrupted as part of the construction for this property no later than October 1, 2008.

2 The entire record of the hearing before the Planning Commission, including without limitation, the testimony and exhibits presented together with the discussion of the City Council regarding the matters described herein are hereby made a part of the record of these proceedings

The motion for adoption of the foregoing resolution was duly seconded by Council member _____ _____and upon roll call being taken thereon, the following voted via voice

Jon Nowaczek - Connie Carlson -
Dan Johnson - Sharon Ridgway -
Torry Kraftson -

Thereupon said resolution was declared duly passed and adopted and signed by the Mayor and the City Administrator. Passed by the City Council, City of Bayport, Washington County, Minnesota on this 2nd day of June, 2008

NOTES. COMMENTS

Sanders Wacker Bergly, Inc. recommends that the Contract for 2008 Site Improvements at Lakeside Park in Bayport, MN be awarded to Peterson Companies, Inc., Chisago City, MN for the amount of their Base Bid plus bid alternate Nos. 1 and 2 for a total of $67,050.00.

We recommend award of the contract based on the following observations:

1. The Bid was low among 6 qualified bids
2. The bid is less than the designers cost estimate and is within the budget set for project.
3. Peterson Companies, Inc. has been notified that the City of Bayport proposes to award the project to their firm and they have agreed to complete the work for the amount submitted
4. Larry Wacker has worked with Peterson Companies on numerous similar projects and their work has been satisfactory.

A copy of the bid results are attached.

Please call me if you have any questions or require additional information.

Date: June 2, 2008

To: City Council
City Administrator Mike McGuire

From: Chief of Police Laura Eastman

Subject: Police department grant agreement with St. Paul Police department for the Republican National Convention (RNC)

BACKGROUND

Please consider this memorandum as a request for authorization to enter into a grant agreement with the St. Paul Police Department for the purpose of the RNC project. The RNC is seeking assistance with security details and to prepare special response teams for this major event The RNC security enhancement duration is September 1, 2008 thru September 4, 2008.

RECOMMENDATION

It is recommended that the City Council approve a request to assist St. Paul Police in this endeavor This is a once in a life time event, and the Bayport Police Department would like to be part of this important and unique experience. Thank you for the consideration.

Re: No Parking Signs on 5th Avenue North

Background
Washington County has recently reconstructed 5th Avenue North City staff feels that it should be posted "No Parking" on the north side, from the west end of the cemetery to Stagecoach, for safety reasons, as well as preventing automobile traffic from interfering with bike and pedestrian traffic

Recommendation
Washington County has asked for an official request from the city, and City Council approval is recommended.
