(over)

Detailed description of work:

Estimated volume of material to be moved <u>and</u> remain onsite	cubic yards
Estimated volume of material to be imported to site	cubic yards
Estimated volume of materials to be exported from the site	cubic yards
Estimated total area disturbed by land disturbing activities	acres
Estimated total value of grading, erosion and sediment control on the site	\$

**REQUIRED DOCUMENTS:** Application must include two (2) copies of the final grading/land disturbance plans showing existing and proposed final contours of the site. The plan shall also indicate all temporary and permanent erosion control facilities to be installed and maintained during and following the grading/land disturbing activities.

The undersigned hereby applies for a grading/land disturbance permit and acknowledges that the information provided above is complete and accurate, that grading/land disturbing activities will not begin without a valid grading/land disturbance permit issued by the City of Bayport, and all necessary permits from other governing agencies having jurisdiction shall be obtained prior to the commencement of grading/land disturbing activities.

The undersigned hereby agrees all work will be done in accordance with the approved grading/land disturbance plan and specifications, conditions of approval, and to abide and follow any applicable ordinances, laws, rules, and regulations of the City of Bayport and any other regulatory bodies, including but not limited to, county, state, or federal regulatory agencies.

The undersigned understands that the permit will expire and become null and void if work does not begin within ninety (90) days of the date of issuance of the permit, or if work is suspended or abandoned for a period of one hundred eighty (180) days anytime after work has commenced.

The undersigned is responsible for ensuring that all work is completed as approved by the issuance of this permit.
