

CITY OF BAYPORT
PUBLIC FORUM TO DISCUSS
CONCEPT PARK PLAN AND WATER SYSTEM
MAY 23, 2005

ATTENDANCE

- City staff: Mayor Schneider, City Council members Johnson, Ridgway, Nowaczek, and Carlson, Administrator McGuire, Administrative Assistant/Planner Dietsche, Public Works Supervisor Horak, Engineer Peters, and members of the Citizen Advisory Board for the park plan.
- Agencies: Minnesota Department of Health, Minnesota Pollution Control Agency, Westwood Professional Services, Inc.
- General: Approximately 30 individuals

BUSINESS

The public forum convened at 5:00 p.m. at the Bayport Public Library. City staff, officials, and representatives from various agencies answered questions and received comments throughout the duration of the public forum related to the park plan and water system. Various exhibits and visual aids were also on display and individuals were encouraged to submit comment cards stating specific concerns, for the city to address. The public forum concluded at 7:00 p.m.
