Bayport, Minnesota 55003  
Phone: 651-275-4400  
Emergency: 911

**Laura Eastman**  
Chief of Police

**Jay Jackson**  
Sergeant

## **SPEED DISPLAY TRAILER REQUEST**

The Bayport Police Department has a Speed Display Trailer which is used to monitor vehicular speed throughout the city. This unit is deployed in known high traffic and high speed areas. The trailer displays the vehicle's speed to the driver as well as records the speed value, date, and time. The information recorded will assist the Bayport Police Department with traffic counts and provide information as to when it is the best day/time to deploy an officer to monitor speeding vehicles. The trailer does *not* record the vehicle's registration number or driver's information. The Speed Display Trailer is placed on a first-come, first-serve basis and is usually placed for not longer than one week. The Speed Display Trailer may be removed by Law Enforcement at any time without notice and is placed dependent upon weather at the time.

**Please complete ALL of the following fields:**

Name (F, M, L): \_\_\_\_\_

Address: \_\_\_\_\_ Bayport, MN 55003

Phone Number: \_\_\_\_\_

Email Address: \_\_\_\_\_

Describe problematic location/times/days: \_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

Requester Signature: \_\_\_\_\_ Date: \_\_\_\_\_
